## **Important information for all CCA families:**

Students should come to school on the first day with ALL their supplies. (Unless otherwise noted.)

Families may also bring supplies to school on the evening of the Open House (Friday, August 25<sup>th</sup>) if they prefer. Parents should label all personal supplies with the student's name. We encourage you to keep this list throughout the school year so you can replenish consumable supplies as needed.

All textbooks, Chromebooks, and charging devices are the property of CCA. Therefore, proper care should be used in handling these items. Textbooks are not to be written in and should be free from marks. Chromebooks and chargers should be handled with care and kept away from situations that could cause damage to them. (Drinks, pets, siblings, etc.) A charge will be made for lost or damaged property.

Questions and/or communications with class related things can be directed to the classroom teacher. All other communications should go through the main office.
